ABOUT US

The Berry Road Food Co-op is a multi-stakeholder co-operative that includes eaters, producers, workers, and community partners. We aim to provide viable food security initiatives that are specific to the needs of our west end communities such as the Stonegate Farmers' Market, the Co-op Cred Program, and our Food Co-op retail store.

Our Volunteer Assistant Program is designed to teach you real and marketable skills while you contribute to the collaborative work environment here at Berry Road Food Co-op. Participants in this program will learn while working alongside our staff members, all of whom understand the benefits of on-the-job skill sharing!
